

Join us for Independent Sector's National Summit 2025

Building Collective Power for Nonprofits and Philanthropy

OCTOBER 27-29, 2025 | ATLANTA

Don't miss out on the chance to shape the future of nonprofits and philanthropy. **Together**, we can create a more connected, effective, and impactful charitable sector.

We want to help you change the world.

At the heart of transforming communities and strengthening our nation lies the power of nonprofits and philanthropy. Independent Sector's National Summit offers a unique opportunity to bring together 1,500 dedicated professionals from across the charitable sector to drive lasting, impactful change.

Together, we will harness our collective power to tackle the complex challenges shaping our communities and country.

Independent Sector's National Summit is more than just a conference. It's a year-round engagement designed to foster collaboration, build capacity, and support advocacy efforts across the nonprofit and philanthropic sector. Whether you want to enhance your skills, expand your network, or deepen your understanding of sector trends, the summit is a can't-miss event for professionals committed to strengthening their organizations and advancing a just, equitable society.

Together, we will harness our collective power to tackle the complex challenges shaping our communities and country.
